More about your business

Does the business own all rights (including intellectual property) to the material submitted and presented for this competition?

Yes

Describe your business, product or service and what differentiates it from your competitors.

We create toys that are sustainable, eco-friendly and diverse for children. We are toy makers of color that handcraft everything we sell.

1. We seek to create toys that are accessible, affordable and sustainable for all children.
2. We seek to teach the importance of diversity and representation with various toys in our collection.
3. We seek to grow our company so we can have the ability to open a factory employing highly talented individuals interested in STEM careers, with a focus on providing opportunities to minorities and women, as well as early career exploration to students interested in exploring careers in STEM.
