More about your business

Does the business own all rights (including intellectual property) to the material submitted and presented for this competition?

Yes

Describe your business, product or service and what differentiates it from your competitors.

Finally Voyage (FV) is a travel company that specializes in virtual tourism and travel. It will provide consulting and custom virtual travel packages. FV's mission is to become the foremost provider of virtual travel tours in the world. FV seeks to connect virtual tour travel newcomers and veterans with service providers, adventure activities, and overall recommendations that fit the client's desires, budget, and skill level. An opportunity for FV's success exists because the tourism industry is growing every day. Virtual travel touring is an untapped market. There are no providers who specialize solely in virtual travel. FV is poised to take advantage of this growth and lack of competition with effective management and marketing.
