More about your business

Does the business own all rights (including intellectual property) to the material submitted and presented for this competition?

Yes

Describe your business, product or service and what differentiates it from your competitors.

Love Yo Pup handcrafts our dog biscuits in small batches to ensure the freshest treats for your four-legged friend. Our pup snacks are made with quality ingredients, fit for human consumption. Because, after all, if you won't eat it, why would you expect your dog to?

We call our approach 'farm-to-paw.' We're on a first name basis with many of the farmers, hunters and producers that supply the ingredients for our products. That's how we keep our standards high. Whenever possible, we use humanely harvested and organic ingredients in our handmade dog treats. Healthy, sustainable and yummy in your doggie's tummy
