Yes

Describe your business, product or service and what differentiates it from your competitors.

Topkifer Inc is a US-based and African-focused startup. We are building the best eCommerce and logistics platform to solve the last-mile delivery issue in Africa starting from Togo, my home country. We built and launched the marketplace topkifer.com in Togo in September on our own. Currently, we have signed up 130+ SMBs/sellers (highest in the country), 180+ buyers, and have recorded 30+ transactions on the platform. We did all this with no advertisement, just word of mouth and 2 field agents. Unlike our competitors like facebook marketplace, Gozem and Jumia, we will allow cross border shopping and delivery, offer third party logistics services, and the ability for shoppers abroad to buy for their families and friends in Africa.
